'FIND YOUR SPARK'

BRAND STORY

Solaria Design is a group of creative individuals. We are a group who like to explore the field of research, Design and development. With our knowledge we think we can change the way people look at this world. We explored the boundaries of the sunlight. We can help clients and companies get a voice that will be heard along the universe. The spark of our group is the heart of Solaria Design. With this spark we can create, inspire and stand out.

What makes Solaria unique is our spirit of adventure. We embrace uncertainty, knowing that it's in the unknown where the best discoveries are made. Our team thrives in the world of digital transformation, constantly learning, adapting, and seeking out new ways to create value. We believe that innovation comes from stepping outside comfort zones and embracing the thrill of the journey.

As we continue to evolve our mission remains clear to guide our business through the unpredictable adventure. With our web development expertise, we have a strategic marketing insight approach. We at solaria are ready to spark your light into new beginnings.

Examples

Dear Mr./Mrs. (name),
I am writing this email to inform you that the first version of the prototype will be finished by the end of the week.

Me and my team would like to schedule an online meeting the following week to get your opinion and feedback. Could you please inform us about your availability so we can choose a date and time suitable for both parties.

Thank you for your time and attention and I will be looking forward to hearing from you.
Sincerely,
(name of the group member)
